

Shree Prajapati Association (UK) **President's Report Year 2008/2009**

Namaste and Jai Shree Krishna

I wish all the Branch Committee members and Trustees good health and happiness.
As another year comes to an end for the Association I can say that it was an enjoyable but a trying one!

During my position as the President, I have been supported by all the sub groups and the 13 branches (this has made my job a lot easier) and I must express my gratitude to them all for their hard work in achieving their goals. I expect Jasuben will elaborate on this within her report.

Plans:

- Update the Constitution as it is a Live and working document for SPA (UK) and its branches
- Host the Introduction Event on a National level
- Improve communication between the branches and sub-groups
- Host the 30th Mahila Samelan
- Raise SPA (UK) profile internally within UK and internationally

Progress/Achievements:

- Youth Team have celebrated their 30th Anniversary
- Sports Team in place to organise future sport events
- Opening of the "Shree Prajapati Vidyarthi Ashram, Navsari with Kanya Chhatralaya project" in Navsari in December 2008
- Newsletter publication on a quarterly basis
- Social Events Committee has been established
- Sandesh which is greeted throughout the world as a very informative publication
- SPA (UK) interaction with other communities and other Samajs internationally

Issues:

- Communication between individuals and branches
- Working together to achieve a common aim

The above is a quick overview of my year and who knows what next year will hold for the new President.

Finally, I must first thank the most important person within SPA (UK) as she does all the running around and organising (Jasuben) without her I would be lost and I am sure many of you around the table will be too. So thank you Jasuben for all your support. Also I thank all the HQ Officer for working along side me and supporting me throughout the year, the Pratinidhi's for their guidance and support when I have needed it.

Most importantly I hope that your support and guidance will always continue to be available for the new President for 2009/10.

I wont take any more of your time so "Thank you for putting your faith in me and electing me a the President to serve SPA (UK)".

Hansa Mistry
SPA (UK) President (2008_09)
